Welcome to the February issue of 365 Days of Flowers: How to Draw! In this issue, we'll be exploring the beautiful world of winter flowers.

Winter flowers are a unique and special breed. They have to be able to withstand the cold and snow, and they often have to bloom in the darkest days of the year. But despite these challenges, winter flowers are some of the most beautiful and resilient flowers in the world.

In this issue, we'll be teaching you how to draw 10 different winter flowers. We'll start with the basics, and then we'll move on to more complex

techniques. By the end of the issue, you'll be able to draw any winter flower you want!

Snowdrop

The snowdrop is one of the first flowers to bloom in the spring. It's a small, white flower with six petals. Snowdrops are a symbol of hope and new beginnings.

How to draw a snowdrop

1. Start by drawing a circle for the center of the flower. 2. Add six petals around the circle. 3. Draw a small stem and two leaves. 4. Add some details, like veins and texture, to the petals and leaves.

Crocus

The crocus is another early spring bloomer. It's a cup-shaped flower with six petals. Crocuses come in a variety of colors, including purple, yellow, and white.
