

An Accidental Journey Into The Heart Of The American Game

In 1985, John Feinstein was a young sportswriter covering his first NCAA men's basketball tournament. He had no idea that the tournament would change his life.

Feinstein's book, *An Accidental Journey Into The Heart Of The American Game*, chronicles his experiences covering the 1985 tournament. The book provides a unique and insightful look into the world of college basketball, and it is a must-read for any fan of the sport.

Feinstein's journey began in the small town of Princeton, New Jersey, where he covered the Princeton Tigers. Princeton was a long shot to make the NCAA tournament, but they upset several higher-seeded teams to earn a berth in the Sweet 16.

Feinstein followed Princeton to the NCAA tournament, and he was amazed by the passion and excitement of the fans. He also witnessed the incredible talent of some of the best college basketball players in the country.

Princeton's run in the tournament ended in the Sweet 16, but Feinstein's journey was just beginning. He continued to cover the tournament, and he eventually made his way to the Final Four in Lexington, Kentucky.

In Lexington, Feinstein witnessed one of the most memorable games in NCAA tournament history. Villanova, a small Catholic school from Philadelphia, defeated Georgetown, a powerhouse team led by Patrick Ewing, to win the national championship.

Feinstein's book is a behind-the-scenes look at the 1985 NCAA men's basketball tournament. He provides insights into the players, coaches, and fans who made the tournament so special. He also explores the social and cultural significance of college basketball in America.

An Accidental Journey Into The Heart Of The American Game is a classic sports book. It is a must-read for any fan of college basketball, and it is a book that will stay with you long after you finish reading it.

About the Author

John Feinstein is an American sportswriter and author. He has written over 40 books, including several bestsellers. Feinstein is best known for his work on college basketball, but he has also written books on other sports, including football, baseball, and golf.
