

# From Hang Time to Prime Time: A Journey Through the Golden Age of Basketball

The 1980s and 1990s were a golden age for basketball. The game exploded in popularity, thanks in large part to the rise of Michael Jordan and the Dream Team. Jordan was the most marketable athlete in the world, and his electrifying play helped to make the NBA a global phenomenon. The Dream Team, meanwhile, was the greatest basketball team ever assembled, and their dominance at the 1992 Olympics cemented the United States' status as the world's basketball superpower.
