**Justice League International Vol. 1: The Signal Masters** is a graphic novel written by Keith Giffen and J.M. DeMatteis, and illustrated by Kevin Maguire, Greg Weisman, and Terry Austin. The story follows the Justice League International, a team of superheroes from around the world, as they investigate a series of mysterious signals that are being sent from Earth to outer space.

The Justice League International is a team of superheroes that was formed in the wake of the Crisis on Infinite Earths. The team is made up of a diverse group of heroes from around the world, including Superman, Batman, Wonder Woman, Aquaman, the Flash, Green Lantern, and Martian Manhunter. In Justice League International Vol. 1: The Signal Masters, the team is joined by a new member, Booster Gold, a hero from the future who has come to the present to help the team fight crime.

The story begins when the Justice League International receives a series of mysterious signals that are being sent from Earth to outer space. The signals are coming from a secret location in the Our Book Library rainforest, and the team sets out to investigate. When they arrive at the source of the signals, they find a group of scientists who are working on a device that can send messages to other planets. The scientists tell the

team that they are trying to make contact with alien life, but they are not sure who is sending the signals back to Earth.

The Justice League International soon discovers that the signals are being sent by a group of aliens who are planning to invade Earth. The aliens are led by a powerful warlord named Manga Khan, and they are determined to conquer our planet. The Justice League International must stop Manga Khan and his army before they can succeed in their plans.

Justice League International Vol. 1: The Signal Masters is a classic superhero story that is full of action, adventure, and humor. The story is well-written and the characters are well-developed. The artwork is also top-notch, and the book is a visual feast. If you are a fan of superheroes, then you will definitely want to check out Justice League International Vol. 1: The Signal Masters.
