Frank Perrin's passion for rugby league memorabilia began in the 1960s, when he started collecting match programs and team badges. Over the decades, he has amassed one of the most comprehensive and valuable collections of rugby league artifacts in the world. This book, *Rugby League Archives: Frank Perrin*, is the definitive guide to his extraordinary collection.

A Journey Through Rugby League History

The book is divided into chapters that cover different aspects of the sport, from its origins to the modern era. Each chapter features a selection of Perrin's most prized possessions, accompanied by detailed descriptions and fascinating insights. Readers will learn about the evolution of rugby league jerseys, the development of the game's laws, and the stories behind some of the sport's most iconic players and matches.

Perrin's collection includes rare and unique items that are sure to captivate rugby league enthusiasts. Among the highlights are:

- The first rugby league ball used in a competitive match
- The jersey worn by Billy Boston in the 1958 World Cup final
- The match program from the first ever rugby league international match

These are just a few of the many treasures that can be found in Rugby League Archives: Frank Perrin. This book is a must-have for any collector, historian, or fan of rugby league.

Detailed Descriptions and Captivating Photographs

One of the things that makes Rugby League Archives: Frank Perrin so special is the level of detail that has gone into its production. Each item in Perrin's collection is described in minute detail, providing readers with a comprehensive understanding of its history and significance. The book also features over 200 captivating photographs that bring the collection to life.

Whether you are a seasoned collector or a casual fan, Rugby League Archives: Frank Perrin is sure to fascinate and inspire you. This book is a true celebration of the sport of rugby league, and it is a must-have for anyone who loves the game.
