Introduce your little ones to the fascinating world of shapes with the enchanting book, *Shapes For Kids Age 3+*! This interactive and educational book is designed to ignite your child's curiosity and foster their love for learning.

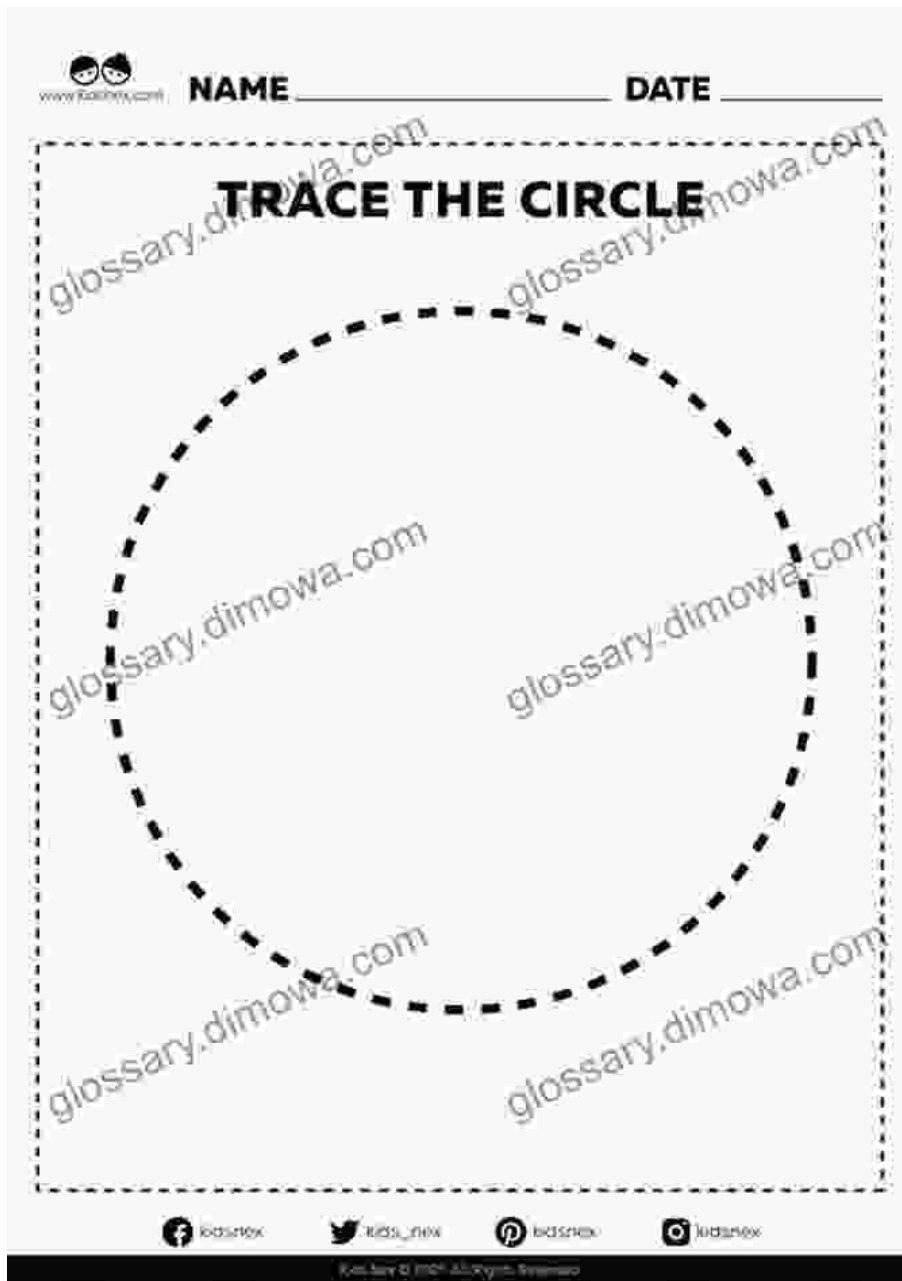

Explore a Rainbow of Shapes

Embark on a vibrant journey through the world of shapes, where each page bursts with color and life. From the playful circle to the majestic triangle, every shape is brought to life with adorable illustrations and engaging rhymes.

Interactive Activities for Little Hands

Learning becomes an adventure with hands-on activities that keep your child engaged and entertained. Trace the dotted lines to draw shapes, solve shape-matching puzzles, and explore the world around them through the lens of shapes.

Interactive activities like tracing and shape-matching puzzles make learning fun and interactive.

Playful Rhymes for Early Learners

Sing along to catchy rhymes that make learning shapes a joyful experience. Each rhyme introduces a new shape, describing its unique

characteristics and encouraging your child to identify and interact with shapes in their daily lives.

Shape Rhymes

printable rhymes for 8 different shapes!

Circle
Circle, circle nice and round,
Curve to the left till
you come back around.

Find the circles,
just look and see!
Moon, sun, clock,
and a yummy cookie!

Triangle
3-sided triangle is easy to make!
Slide down, across, and up
and you've made the shape!

Find the triangles,
just look and see!
A pizza slice, a flag, and
a sailboat on the sea.

Rectangle
A rectangle has 4 sides, but
they are not all the same.
Two sides are long,
Two sides are short.
Together they make
a frame!

Find the rectangles,
just look and see!
A computer screen, a
door, and dollar that's
for me!
