From her humble beginnings to her historic appointment as the first African American female state trooper in Texas, Felicia's story is an inspiration to anyone who dares to dream big.

Early Life and Education

Felicia Harper was born in 1953 in the small town of Carthage, Texas. Despite growing up in a time and place where racial discrimination was prevalent, Felicia refused to let it define her. She excelled in her studies, graduating from high school with honors.

After graduating, Felicia worked various jobs, including as a bus driver and a nurse's aide. However, she knew that her true calling lay elsewhere. In 1974, she applied to the Texas Department of Public Safety (DPS) with the hope of becoming a state trooper.

Breaking Barriers

Felicia's application to the DPS was met with resistance. At the time, there were no African American female state troopers in Texas, and many questioned her ability to handle the job. Undeterred, Felicia remained steadfast in her pursuit.

After a rigorous training regimen, Felicia graduated from the DPS Academy in 1975, becoming the first African American woman to serve as a state trooper in Texas. Her appointment sent shockwaves throughout the state and the nation, inspiring countless others.

Challenges and Triumphs

As a state trooper, Felicia faced numerous challenges. She was often subjected to racial slurs and discrimination from both the public and her fellow officers. However, she refused to let these obstacles deter her.

Felicia's unwavering determination and professionalism earned her the respect of her colleagues and the community she served. She quickly rose

through the ranks, becoming a sergeant and eventually a lieutenant colonel.

Legacy and Impact

Felicia Harper retired from the DPS in 2001 after a distinguished 26-year career. Her legacy extends far beyond her years of service. She became a symbol of hope and inspiration for countless young people, particularly African Americans and women.

Felicia's story has been featured in numerous books, articles, and documentaries. She has received countless awards and honors, including the Presidential Medal of Freedom, the nation's highest civilian award.
