

Woodstock 1860 1970 Images Of America: A Mesmerizing Journey Through History

Nestled in the picturesque Catskill Mountains of New York, Woodstock has long been a haven for artists, musicians, and free spirits. From its humble beginnings as a rural hamlet in the 19th century to its transformative role in the counterculture movement of the 1960s, Woodstock's story is one of both idyllic beauty and profound cultural significance.

Now, in a stunning new book, *Woodstock 1860 1970 Images Of America*, acclaimed photographer and historian Susan Keller brings together over 200 captivating images that capture the essence of Woodstock during these two extraordinary eras.

Through Keller's lens, we are transported back to the idyllic Woodstock of 1860, a time when the village was a popular destination for artists and writers seeking inspiration in the unspoiled wilderness. Keller's photographs

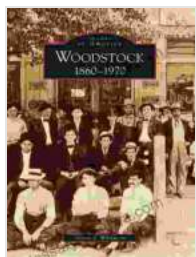

capture the rustic charm of the town, its quaint cottages, and its stunning natural surroundings.

In contrast, the images of Woodstock 1970 reveal a town transformed by the influx of half a million music lovers who converged on the village for the legendary Woodstock Music & Art Fair. Keller's photographs capture the vibrant energy and youthful idealism of the festival, as well as the iconic performances by some of the greatest musicians of all time, including Jimi Hendrix, Janis Joplin, and The Grateful Dead.

Together, these two collections of images offer a unique and captivating glimpse into the rich history of Woodstock, New York. Whether you are a lifelong resident, a history buff, or simply an admirer of great photography, *Woodstock 1860 1970 Images Of America* is a must-have addition to your library.
